Gorman at 772.341.0201. Sponsorships are still available!**

Demand for our Meals on Wheels program, the only one in Martin County, has exploded since before the pandemic. Costs are continuing to increase and our staff and volunteers are working tirelessly to prepare, package and deliver more than 500 hot, healthy meals, each weekday, to the seniors who most need them. Funds raised by Poinsettia Power help ensure that the seniors on the waiting list for government-funded meals do not have to wait, hungry and alone.
